

PORTFOLIO 5

What is the task?

Debating on a topic (group performance)

What do we expect from the students?

To determine the topic related to the units 1-8 themselves

To prepare for the discussion as a group (of 4 students) making sure everyone speaks equally and takes turns appropriately

Each student to support their opinions with specific examples and details

To discuss for at least 10 minutes

Each student's **in-group and individual performance** will be evaluated **equally** according to the following criteria.

GROUP EVALUATION

SCORE	GENERAL DESCRIPTION
5	<ul style="list-style-type: none"> • The group members have discussed efficiently • There is successful interaction within the group, • Good timing (10-15 min) for the whole discussion • Even distribution of individual speech

INDIVIDUAL EVALUATION

SCORE	GENERAL DESCRIPTION
5	<ul style="list-style-type: none"> • manages to agree, disagree, ask questions, take the floor and interrupt effectively, • uses a variety of vocabulary and expressions related to the topic, • uses a variety of structures with occasional grammatical errors, • stays on task, • pronunciation is almost always clear • speaks 2-3 minutes
