

PORTFOLIO 5 SPEAKING ANNOUNCEMENT

Dear Program 2 morning and evening students,

On February 7th, Wednesday, you have your spoken portfolio in **the first 2 lessons**. This will be an individual task. You will give a mini presentation. Your presentation will be about a not so well-known discovery or invention. You must use a powerpoint presentation during your talk. You will talk for 2-3 minutes. You will stand in front of the class during your talk. You cannot read from any paper. You cannot have notes in your hand. You are only allowed to write down the names of people, important dates, etc. not the whole sentences in your powerpoint presentation.

You must also include the information below.

- Who made it?
- How did they make it?
- Why is it important?
- What good or bad results has it had?
- How was life different before?
- What other things have changed because of it?

You must explain results and reasons using *as*, *because of* and *as a result*.

Your mini presentation must be organised and you must include all the necessary information.
